SERVICES COVERED BY THIS PRIVACY POLICY

This Privacy Policy applies to all digital services such as websites, newsletters or registration systems offered on our website and other digital properties created and operated by Bruckmann Sports Consulting (collectively the “services”).

REGISTRATION

Our content is available on the Services without the need to register as a user.

THE INFORMATION WE COLLECT

We will collect information about you in different situations, for instance when you contact us or when you request a service from us. We inform you that no profiling service is active.

HOW WE USE YOUR INFORMATION

We use the personal information we collect to deliver and promote our services in conformity with the Terms of Service, to communicate with you and to provide you with the services which you have requested.

THE INFORMATION WE SHARE WITH THIRD PARTIES

We will only provide your information to third parties in the following circumstances:

- a) we share certain user information with our affiliates and service providers who work with us to offer you the Services;
- b) we may share your information with authorities or third parties when we believe that we have a legal obligation to do so; and
- c) we may share your information with third parties when you have given us your prior authorisation to do so.

WHAT INFORMATION DO WE COLLECT?

You may provide us with information, including personally identifiable information, when you communicate with us or subscribe to Services such as newsletter or event registration.

- a) Data necessary to provide certain Services

Certain Services may allow you to apply for registration or accreditation to events organised by us, or book travel and accommodation related to these events. In such cases, we will inform you of any additional information needed to provide to you the services that you have requested and of the other conditions applicable to the processing of your personal information for the provisions of such services.

b) Communications data

If you communicate with us and/or request any service from us, we will use any information you may provide us to answer your queries.

Information that is collected automatically when you use the Services

Our website and digital properties use cookies to distinguish you as a user, either for the duration of your visit ("session cookie") or when you return ("persistent cookie"). Cookies are small files stored on your browser or the hard drive of your computer that are used to gather information regarding interactions with our website and other digital properties such as browser type, operating systems, IP address, device type, location, date and time of access. These cookies are placed on your device by us ("first party cookies") or by third parties providing certain services to us such as analytics and advertising ("third party cookies").

By using the services, you accept the use of these cookies. You may turn off cookies or changing your preferences by changing your browser settings.

HOW DO WE USE THE INFORMATION WE COLLECT?

We use the information we collect about you and your use of the Services to:

- a) facilitate your use of the services;
- b) maintain and develop the services;
- c) gather statistics to help diagnose problems, enhance your experience of the services and improve the quality of the services;
- d) ensure the security of the services and that the services are used in compliance with any additional terms applicable to our different services (together, the "Terms of Service") and applicable laws;
- e) provide you with services, information and content that you have requested;
- g) communicate with you, including by answering your requests, sending you communications related to our Terms of Service.

WHO DO WE SHARE YOUR INFORMATION WITH?

Information you decide to make public

Through functionalities of the services, we may allow you to make certain information available to other users of the services. You decide what information you want to make public.

Events-related services and other services

If you use the Services to request certain services from us, for instance to apply for registration or accreditation to attend the events organised by us, or for booking travel and accommodation in relation to these events, the provision of the services requested by you may require us to share your personal information with third parties (e.g. travel or accommodation providers, organising committees, or governmental agencies). Other services that you may request from us may also require that we share your information with third parties assisting us in the delivery of such services, such as international federations or organising committees, academic institutions, or other delivery partners.

HOW DO WE PROTECT YOUR PERSONAL INFORMATION?

Data security

We use technical and organisational measures to protect your personal information against the risks of damage, destruction, loss or unauthorised access, in accordance with applicable laws.

International transfer

The information we collect will usually be processed in the European Union or in the Extra-European Union Countries of EOC's Members, some of which do not provide in their laws for a level of protection of your privacy equivalent to the one applied within the European Union. Before transferring data from the European Union to Extra-European Union countries, we implement safeguard mechanisms recognized by European regulators such as standard contractual clauses, or seek your express consent.

Data retention

We will retain your information only for the duration necessary for the purposes identified in this Privacy Policy or as required to meet our legal requirements.

LEGAL BASIS FOR PROCESSING YOUR DATA AND YOUR RIGHTS

We mainly process your information to perform our obligations under our Terms of Service but in certain cases, we also rely on other justifications.

Contractual necessity

Contractual necessity applies for all users who are of age to enter into a contract by accepting our Terms of Service and justifies the following uses of user personal information:

- a) Providing the Services and personalizing your experience of the services by customizing certain features based on your interests
- b) Securing and developing the services
- c) Communicating with you in relation to the services
- d) Sharing data with our partners who may offer you their services
- g) Providing you services or information which you have requested

In these cases, you have the right the right to port your data.

CHANGES TO THIS PRIVACY POLICY

When we make changes to this Privacy Policy, we will do our best to inform you in advance of such change, for example by posting a notice on the Services or by sending you an email communication, so you can review our revised policy and decide whether to continue to use the Services or not. Your continued use of the Services after the entry into force of the revised Privacy Policy will constitute your confirmation of your reading and understanding of such changes. We encourage you to review our Privacy Policy regularly.

This Privacy Policy was last updated on May 2018
